

## ***Professional Development Opportunities***

### [ASCD Webinars](#)

Includes relevant topics like student engagement, classroom technology, and instructional strategies; you don't need to be a member as many are archived for your access.

### [Dibels](#)

Options include webinars to: *Make the most of your data reports, Reasons for benchmark goals, Using Benchmark goals to make decisions.*

For your reading Dibels pleasure, [Research](#), is available through technical articles, abstracts, book chapters, and dissertations.

Additionally, [Scoring Practice](#), contains videos and practice sheets. This resource is intended to provide ongoing support for accurate administration and scoring of the following Acadience Reading measures -- FSF, PSF, NWF, and ORF including Retell.

### [Keys to Literacy](#)

Educators can access Keys to Literacy(KTL) professional development through our online training courses. Each course is organized into modules that include interactive activities, readings, video clips from live training, and activities that allow users to master course content. Online courses are asynchronous which means users can complete the course at their convenience; they may log in at any time to work through the modules at their own pace. The courses can be taken by individual teachers who register directly with KTL(Keys to Literacy). (\$\$)

### [Reading Informational Text in Science](#)

The Common Core calls for students to be able to read and interpret media reports on science and science-related social issues.

The participant will...

- identify what current reading practices they already do that are aligned to the Common Core Reading Standards.
- identify the variety of complex texts that students need to read in science courses to be prepared for college, career, and citizenship.
- explore strategies to teach students to think deeply and critically about text.
- review Common Core State Standards Reading Anchor Standards.

### [Free EdWeb](#)

edWeb.net is a free professional learning network where educators can join online communities on innovative ideas and practices in education, attend live or recorded edWebinars, complete personal learning plans, and earn CE certificates towards PD hours. edWeb gives teachers, librarians, and administrators from preK-12 the widest choice of professional learning topics – so there is something for every educator!

## [NHEON](#)

NH e-Learning for Educators is an online professional development program run by the Office of Educational Technology at the NH Department of Education. Online facilitated courses and self-paced tutorials are delivered through OPEN NH, our cost-effective statewide online professional development system.

## [Google's teacher center](#)

Whether you're here to learn one new thing or to start the path to Google mastery, we've got you covered. The teacher center has content to meet you where you are and get you where you want to be. Fundamentals and advanced trainings available.

## [NHSociety for Technology in Education](#)

### [Professional Learning with NGSS](#)

A variety of opportunities are tied to the NGSS hub...webinars, journal entries, web seminars and conferences to explore.

### [Higher-order Questioning resources](#)

This folder contains professional reading, questioning strategies, prompts, and Keys to Literacy resources.

### [Bar Model Drawing](#)

In this professional development course for teachers, you'll get the training you need to start teaching model drawing, the powerful Singapore Math strategy that gives word problems a visual context. As a teacher, you know that many students groan when it's time to solve word problems. (\$\$)
