Now, therefore let it be known that in consideration of the covenants, terms and conditions herein contained, the Association and the Board agree as follows:

The School Board, Administration and Professional Staff agree that each and every member shall fulfill his/her responsibilities, as has been traditional practice in the profession to the best of his/her individual abilities. In every instance, the School Board, Administration, and Professional Staff shall make every effort to provide the best educational opportunity for their students. In addition, the aforementioned parties agree to work toward the creation of a planned and integrated educational program governing grades K-8,

The School Board and Professional Staff shall meet at the request of either party to discuss any concerns of either party.

It is understood by all parties that effective student discipline is essential to the teaching and learning process in the classroom. To this end, the Auburn School Board, Administration, and Professional Staff shall firmly commit themselves to the enforcement of the Discipline Code.

Finally, in the interest of enhancing the development of our students, we mutually agree to assist in the support of student activities at the Auburn Village School.

ARTICLE I
RECOGNITION CLAUSE

1. The Auburn School Board recognizes the Auburn Education Association as the exclusive bargaining representative for all certified Professional Staff employed by the Auburn School District for the purpose of negotiating with the Board with respect to wages, hours, and other conditions of employment other than managerial policy within the exclusive prerogative of the School Board.
2. The term "Professional Staff" shall mean professional employees of the Auburn School District working for a minimum of three (3) days per week, and whose positions require certification by the State Board of Education in classroom teaching; or certification by the State Board of Education as School Counselor, Reading Specialists or Media Generalist; or licensure by the State Board of Allied Health Professionals as Speech Language Pathologist or Occupational Therapist. This term "Professional Staff" shall exclude all others employed by the Board, including Superintendent, Assistant Superintendent, Principal, Assistant Principal, Coordinators and Nurse.

ARTICLE II
JURISDICTION AND AUTHORITY OF SCHOOL BOARD

The Board, subject only to the language of the Agreement, reserves itself full jurisdiction and authority over matters of policy and retains the right, in accordance with applicable laws and regulations, to direct and manage all activities of the school district.

The parties agree that neither the Board nor the Superintendent may lawfully delegate powers, discretions, or authorities which, by law, are vested in them, and this Agreement shall not be construed so as to limit or impair their respective statutory powers, discretions, or authorities.

The School Board may, at its sole discretion, adopt either a day's based school year or an hour's based school year under NH Admin. R. Ed 306.18. The School Board shall, at its sole discretion, determine the number of student hours and days per year.

Notwithstanding any other provisions in this Agreement, the Board has sole jurisdiction, authority and discretion to contract with individuals, companies or agencies for speech language pathologist and occupational therapist services that otherwise would be provided by persons employed in this bargaining unit.

ARTICLE III
ASSOCIATION RIGHTS

After the close of school on school days, the Association shall have the right to use designated areas in school buildings for meetings of teachers provided there is not interference with any scheduled school activities. The use of such designated areas shall be arranged with the Principal in advance.

The Association shall be given an opportunity either prior to the beginning of a faculty meeting or after the close of a faculty meeting to present reports and announcements. If the faculty meeting

is held prior to the commencement of the student day, such opportunity shall be granted prior to the opening of the meeting; if the meeting is held after the close of the student day, such opportunity shall be granted after the close of the meeting.

Copies of the School Board meeting agendas and minutes shall be made available to the Association online.

A copy of the policy manual of the Auburn School District shall be made available to the staff. Professional Staff shall not be denied access to the policy manual nor be required to state a reason for requesting it.

ARTICLE IV **NEGOTIATION PROCEDURE**

The Association shall notify the Board by May 1 of the year preceding the year in which this agreement expires of its desire to negotiate a successor to this Agreement. Negotiations shall be conducted in accordance with RSA-273-A.

ARTICLE V **PROFESSIONAL STAFF RIGHTS**

A. PERSONNEL FILES

A Professional Staff Member shall have the right to examine his personnel file upon reasonable notification and in accordance with the law.

A Professional Staff Member may submit a written response to any material in the folder and have said response attached to the original material.

No material derogatory to a Professional Staff Member shall be placed in the Professional Staff Member's file until the Professional Staff Member has had the opportunity to review such material. The Professional Staff Member shall acknowledge that he has had the opportunity to review such complaint by affixing his signature to the copy to be filed with the express understanding that such signature in no way indicates Agreement with the contents thereof. Should the Professional Staff Member refuse to sign, the administrator shall note the refusal on the copy to be filed and file the same.

B. EVALUATION

A joint committee, is established to study and develop process, procedures and instrumentation to be used in evaluations. The committee shall consist of members appointed by the Association and the Board, and will include members from other Districts within SAU 15. The committee's recommendations shall not be binding on either the Association or the Board. The current practice relative to performance evaluations of professional staff members shall remain in effect. However, the District will have the ability to unilaterally adopt a successor evaluation system if failure to do so would result in any sanction against the District.

C. DISCIPLINE

If a teacher is to be reprimanded, warned, or disciplined for an infraction of rules or a delinquency in professional performance, said reprimand or disciplinary action shall take place in a private setting. Specifically, disciplinary action will not be taken in the presence of students, parents, or other staff members, with the exception of an AEA member if requested by the teacher.

All information forming the basis of the disciplinary action shall be made available to the teacher.

D. REDUCTION IN FORCE

When it becomes necessary to reduce the number of employees covered by the collective bargaining Agreement for reasons of a significant decline in enrollment or budget reduction, or reorganization of the school district, the following procedures shall be followed:

1. The decision to reduce force shall be made by the School Board. As soon as the need is determined by the Board, the Superintendent of Schools shall contact the AEA to make arrangements for the AEA and School Board to meet and discuss the considered reduction.
2. In determining Reduction in Force, every reasonable effort to minimize the effects on staff shall be made by absorbing as many positions through attrition (retirements, resignations) as possible.
3. The sole factors of consideration by the District in determining which employee(s) shall be subject to layoff shall be seniority and job performance. Seniority shall mean years of unbroken service as a member of the bargaining unit. Service shall not be broken while a Professional Staff Member is on an unpaid leave of absence, however such time shall not be counted toward total years of service.
4. Professional Staff Members shall be recalled from layoff in reverse order of seniority based on certification to fill vacant positions for a period up to 17 months. Professional Staff Members who have been laid off shall maintain a current and accurate address and phone number with the SAU in order to be eligible for recall. A Professional Staff Member's refusal of a recall offer shall result in a waiver of his/her recall rights.

F. ROOM ASSIGNMENT

All attempts shall be made to notify a Professional Staff Member of a room assignment change two (2) weeks prior to the end of the school year unless emergency or extenuating circumstances arise.

G. POSTING OF VACANCIES

Vacancies within the District will be posted on a bulletin board and sent to the Association President as soon as the Board approves filling the vacancy. Such notices will include a position title and description, and the place and date at which an application is to be submitted. The Board shall consider the qualifications and experience of all applicants, and if these factors are substantially equal, will give preference to current employees in the District in filling vacancies. (This paragraph is not subject to the grievance procedure.)

H. TEACHER RESIGNATIONS

After August 1 of any year, if an employee resigns from his/her employment by the School District without the written permission of the School Board, and thereby fails to work for the School District for the entire school year required by his/her employment contract, the employee shall pay the School District the sum of \$1,000 as reasonable liquidated damages to compensate the School District for expenses incurred by reason of the employee's resignation. The employee shall also be liable for the School District's costs of collecting the liquidated damages, including reasonable attorneys' fees. The employee may submit information to the School Board in support of his/her request for the School Board's permission to resign and waiver of liquidated damages. This provision shall be included in each employee's individual employment contract.

ARTICLE VI
GRIEVANCE PROCEDURE

A. DEFINITIONS

1. A grievance is a claim by a Professional Staff Member and/or the Association based upon the misinterpretation, misapplication, or violation of this Agreement. The following matters are excluded from the Grievance Procedure:

Any matter for which a specific method of review is prescribed and expressly set forth by law, or by any rule or regulation of the State Commissioner of Education, including, but not limited to, non-renewal and dismissal of teachers.

A complaint of a probationary Professional Staff Member which is caused by his/her not being re-employed.

Any matter which, according to law, is beyond the scope of the Board's authority or limited to the unilateral action by the School Board.

2. "Days" shall mean school days during the school year, but Monday through Friday, excluding holidays and weekends, during the summer break period.

B. PROCEDURE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise affecting Professional Staff Members. The Board and the Association agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure. The grievance procedure shall be closed if a complaint is filed with an outside agency.

Level 1 - Principal:

The grievant shall, within fifteen (15) days of when he/she knew or should have known of the alleged misinterpretation, misapplication, or violation of the agreement, first discuss it with the Principal, either individually or accompanied by the Auburn Education Association's designated representative, with the objective of resolving the matter informally. If, after the discussion, the matter is not resolved to the satisfaction of the grievant within five (5) days after notifying the Principal, he/she shall set forth his/her grievance in writing to the Principal specifying:

1. The nature of the grievance and date occurred;
2. The nature and extent of injury, loss, or inconvenience;
3. The result of previous discussions on the grievance action;
4. His/her dissatisfaction with the decision rendered and an opinion as to how that decision violated a specific clause in his/her contract.

The Principal shall communicate his/her decision to the grievant in writing within five (5) days of receipt of the written grievance.

Level 2 - Superintendent:

If the grievant is not satisfied with the disposition of his/her grievance at level one, or if no decision has been rendered by the Principal within five (5) days after the filing of the written grievance, the grievant may within seven (7) days after receipt of the Principal's answer, or within seven (7) days of when the Principal's answer was due, file a grievance in writing to the Superintendent. The Superintendent may meet with the grievant individually or accompanied by the Auburn Education Association's designated representative within a period not to exceed seven (7) days from the receipt of the grievance. The Superintendent shall thereafter communicate his/her decision in writing within ten (10) days of the receipt of the grievance, or following a meeting on the grievance, whichever is later, to the grievant and the Principal.

Level 3 - School Board:

If the grievant is not satisfied with the decision rendered by the superintendent, he/she may appeal his/her grievance to the School Board. Such an appeal must be made within seven (7) days after the receipt of the superintendent's decision. The Board or a committee thereof shall review the grievance and may grant a hearing within fourteen (14) school days. The School Board shall render its decision in writing within fourteen (14) school days after the next regularly scheduled meeting of the School Board.

Level 4 - Arbitration:

If the grievant is not satisfied with the decision rendered by the School Board, he/she shall notify the Association within five (5) days of receipt of the School Board's decision, or, if none, within five (5) days after the deadline for the School Board to issue its written decision. If the Association determines that the matter should be arbitrated, it shall so advise the Superintendent in writing within ten (10) days after receipt of the grievant's

request. The Superintendent and the Association will attempt to agree upon a mutually satisfactory third party to serve as an arbitrator. If no agreement is reached within ten (10) days following receipt of the request for arbitration, either the Superintendent or the Association may request the American Arbitration Association, pursuant to its rules, to submit to the Association and the Superintendent rosters of persons qualified to function as an arbitrator. The arbitrator selected shall conduct the arbitration proceeding in accordance with the labor arbitration rules of the American Arbitration Association, as well as render his/her decision within the time period set forth in the same. This decision shall be binding on both parties and thus shall constitute the basis for settlement of the dispute. The arbitrator shall have no power to add to, delete from, or otherwise modify the terms of this Agreement.

The cost of services of the arbitrator, including, if any, per diem expenses and actual and necessary travel and subsistence expenses, will be shared equally by the Board and the Auburn Education Association.

Failure to communicate the decision on a grievance within the above-specified time limits shall permit the grievant to proceed to the next level. Failure in any step of this procedure to appeal a grievance to the next level within the specified time limits shall be deemed a waiver of future appeal of this decision and will be considered acceptance of the decision rendered.

Whenever any representative of the Auburn Education Association or the grievant under this procedure is required by New Hampshire Public Employee Relations Board proceedings, or grievance-related activities under this article, to appear at a specific time, and the designated time is in conflict with regular school working hours, such person shall suffer no loss of pay.

All documents, communications and records dealing with the processing of a grievance or any part of the Agreement shall be filed separately from the personnel files of the participants and shall not be forwarded to any prospective employer of the grievant.

The agreement to arbitrate, as referenced above, shall be subject to the provisions of RSA 542.

4. The committee shall establish the rules and regulations under which the plan shall operate and the procedures to be followed in acting on any requests submitted. During the process of establishing the rules and regulations the committee shall consult with SAU 15 administration to develop the best possible rules and regulations. The rules and regulations shall be in written form and distributed to all participants in the sick bank.
5. Any Professional Staff Member needing to utilize the sick bank shall submit to the committee a written request specifying the number of days requested. The request must be supported by a written statement from the applicant's physician certifying as to the disability and the expected duration of such disability.
6. The committee shall evaluate the request, and shall make written decisions approving or disapproving each request, and for those requests approved, the number of days to be granted.
7. The committee shall forward its written decision to the Superintendent within seven (7) school days of receipt of all necessary documentation.
8. The Superintendent will inform the applicant of the committee's decision. However, in the event that the Superintendent disagrees with the denial of days by the committee, because the denial could subject the District to litigation, the Superintendent has the sole authority to overrule the committee. The committee's decision shall not be subject to the grievance procedure.
9. Any request for sick leave bank days shall be made as soon as possible after the onset of the illness, and any payments shall be made prior to June 30 of said year.
10. The annual anniversary for enrollment into the sick leave contingency bank shall be the fifteenth (15th) day of September.
11. The maximum number of days that Professional Staff Members may receive from the sick bank for any illness shall equal 90 days minus the number of sick leave days accumulated by that member under Article XI(1).
12. Those teachers absent due to injury incurred in the course of job performance may utilize sick leave, and/or sick bank, until Worker's Compensation takes effect. They may also use sick leave and/or sick bank to make up the difference between Worker's Compensation or Long-Term Disability benefits and full salary.

ARTICLE XIII **INSURANCES**

A. HEALTH INSURANCE

The Board will offer the following medical insurance options for employees covered by this agreement, or any other plan with comparable benefits which is mutually agreed upon:

1. Cigna SchoolCare Yellow Open Access with Choice Fund, or comparable plan: For eligible employees who select this option, the Board will pay the following percentages toward the cost to provide single, two-person or family protection, whichever is selected by such employee:

Single	90%	90%	90%
Two Person	85%	85%	85%
Family	82%	82%	82%

2. A Plan Not Offered by the Board:
Each eligible employee who selects this option will be paid a bonus of \$2500, provided that said employee does not otherwise purchase subsidized insurance, under the Affordable Care Act, which results in a financial penalty being imposed upon the District. Such payment will be made during each school year in which said employee selects this option. Proof of coverage of a non-subsidized plan is required for each such year, and the Board will not pay any portion of the premium costs for that plan.

B. LIFE AND DISABILITY INSURANCE

Each Professional Staff Member shall be provided a term life insurance equal to his/her annual salary rounded to the nearest thousand with an accidental death and dismemberment provision.

Each Professional Staff Member shall be provided long-term disability insurance under the Standard Insurance Company Policy No. 645658, or under any other insurance plan which the Board and the Association mutually agreed upon. During a period of approved long-term disability, the District will continue to contribute its portion of the health insurance policy premium selected by the employee for any remaining portion of the school year in which the employee commences the leave.

C. DENTAL INSURANCE

Effective 7/1/2011, Cigna Dental (DPO2B), with District paying 95% of single membership. 2-person and family coverage may be purchased at employee's expense.

E. HEALTH SAVINGS ACCOUNT

During the term of this agreement, the District shall have the option of offering teachers covered by this agreement eligibility to enroll in a health savings account (HSA). The terms of such an account shall be solely determined by the District.

F. HEALTH COMMITTEE

A health insurance committee will be formed to study, review and monitor existing and alternative health insurance plans that deliver health insurance services to employees in the most cost-effective manner for the School District and employees. This committee, each year by May 1, shall issue a report that includes findings and recommendations for changes to existing health insurance options. The committee's recommendations shall not be binding on the Association or the Board, but the Association and the Board shall act upon the recommendations each year by June 1 and may mutually agree in writing to modify the health insurance provisions in this Agreement. The committee will include two (2) representatives appointed by the Association and two (2) representatives appointed by the School Board.

ARTICLE XIV
RETIREMENT

1. Eligibility

A limit of three (3) unit members per year covered by this Agreement when they retire and who have at least fifteen (15) years of service in the Auburn School District, and who are at least fifty-five (55) years of age are eligible for an early retirement incentive. Notice of one's intention to retire under this plan must be submitted in writing to the Superintendent of Schools no later than November 1 of the school year of anticipated retirement. In the event the number of requests exceeds three (3), eligibility will be determined by:

- a. Age on June 30th of the last school year
- b. Years of service in the Auburn School District
- c. Date of birth

If a Professional Staff Member is not granted early retirement for the year of the initial request, that Professional Staff Member will retain an advantage over any Professional Staff Member requesting retirement for the following year only.

2. Amount

\$1,000 times the number of years employed by the District as a Professional Staff Member.

In addition, each Professional Staff Member will receive 20% of their accumulated sick days at their per diem rate.

The maximum early retirement benefit, following calculation of the above, shall not exceed \$30,000 per Professional Staff Member.

3. Timing

A single sum payment will be made to the bargaining unit member no later than July 31 following the date of retirement. Should an employee who has elected early retirement die prior to receiving any payment; the School District will make said payment to the estate of the deceased retiree.

Any employee who retires under this Article shall be eligible to continue his/her coverage under the District's medical and dental insurance plan as set forth in Article XIV at the retiree's sole expense, subject to the insurer's permission, until the employee reaches Medicare age.

ARTICLE XV

PROFESSIONAL DEVELOPMENT

The District shall send to the Association President, or her/his designee, a copy of a bargaining unit member's professional development application approval(s) or denial(s) at the time of notice to the bargaining unit member.

A. COURSE REIMBURSEMENT

1. Eligibility:

The School District will reimburse full-time teachers a maximum of 9 credits per contract year at the prevailing UNH graduate level course per credit hour rate, or the actual cost, whichever is lower, to the amount indicated in Section b. The School District will reimburse part-time teachers pro rata. Courses must be taken at an accredited college or university, provided that the course received prior approval of the Superintendent as one which will improve the education of the District's students and is directly related to the teacher's assignment. A teacher must complete the course and receive a grade of 'B' or better to qualify for reimbursement.

Fees associated with obtaining National Board Certification through the National Board for Professional Teaching Standards (NBPTS) shall be eligible for reimbursement under this section.

2. Amount of Reimbursement:

The maximum annual allocation shall \$30,000 which shall be divided into three trimesters as follows:

Trimester	
Summer	30%--\$9,000
Fall	30%--\$9,000
Winter/Spring	40%--\$12,000

Applications for course reimbursement shall be submitted to the Superintendent as outlined in the Association's Procedural Guidelines. If applications approved by the Superintendent for a trimester exceed the maximum allocation for that trimester, the reimbursements for that trimester will be proportionate to the maximum allocation for that trimester.

For example, if the maximum allocation for a trimester is \$9,000 and the Superintendent approves applications totaling \$12,000 for that trimester, each teacher whose application is approved will be reimbursed 75% of the cost of the approved course if the teacher completes the course in accordance with Section 1.

3. **Timing of Reimbursement:**
Fifty percent (50%) of the amount to be reimbursed under Section b will be paid to the teacher upon completion of registration and fifty percent (50%) upon completion of the course. A \$100 recoupment per paycheck will be assessed to the teacher for failure to complete the course, up to the cost of reimbursement; and the teacher shall execute a written agreement to such payroll deductions as a precondition to the District paying 50 percent of the cost upon completion of registration. SAU #15 will assume the responsibility for handling the paperwork related to course application and reimbursement. In the event that approved applications exceed the maximum allocation for one or two trimesters in the contract year, the unexhausted allocations will be distributed to those teachers whose approved courses were not fully reimbursed. The Association will establish a committee to provide procedural guidelines for the implementation of the course reimbursement process.
- B. **WORKSHOPS, CONFERENCES, AND SEMINARS**
Reimbursement for workshop, conference, and seminal reimbursement, not including lodging, meals, and travel, shall be provided at up to \$300 per bargaining unit member annually.
- C. **CURRICULUM WRITING**
A standing committee consisting of the Superintendent of Schools, one building administrator and two Association members shall draft a policy proposal establishing a procedure for the equitable distribution of the balance of funds remaining from item A above to write curriculum during the non-school year.

ARTICLE XVI

1. It is agreed by and between the Auburn School Board and the Auburn Education Association that upon receipt of written authorization signed by the Professional Staff Member, the Board shall deduct an amount to provide payments of dues for membership on the AEA, NHEA, and the NEA from the regular salary check for such Professional Staff Member for the twenty (20) pay periods after October 1 and that the amounts so deducted pursuant to such authorization of the Professional Staff Member shall be remitted directly to the Auburn Education Association. It is further agreed by and between the Auburn School District and the Auburn Education Association that such authorization for deduction of dues shall continue in full force and effect until the Professional Staff Member submits a written revocation of such authorization to the Board.
2. The Association agrees to indemnify and hold harmless the school district, SAU 15 and their agents and employees, relative to the collection and disbursement of association dues.
3. Payment of Association dues does not constitute a condition of continued employment.

ARTICLE XVII

1. If any article of this Agreement or any application of this Agreement to any employees or groups of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force.
2. This Agreement may not be altered, changed, or added to, deleted from or modified except through the voluntary, mutual consent of the parties in written and signed amendment to this Agreement.

ARTICLE XVIII
DURATION PROVISION

The term of this Agreement will be governed by a stipulated time period. The provisions of the Agreement will be effective July 1, 2023 and shall continue to remain in full force and effect until June 30, 2026.

The District agrees to provide the PELRB with a copy of this Agreement within fourteen (14) days of its execution in accordance with PUB 207.02(b).
